

Psychology for Global Challenges

**GPA Marginalized and Vulnerability (MV) Working Group
Disability Sub-Group**

VISION: To strive for inclusive societies in which everyone matters.

MISSION: To combat marginalization, vulnerability, and invisibility, and increase social inclusion and resilience through ethical, trauma informed psychological science, advocacy, and community engagement.

Consent for Use

By submitting my video, I, _____ **(indicate name)**, confirm that:

1. I am the creator of the submitted content or have the necessary permissions to share it.
2. I voluntarily grant the **Global Psychology Alliance (GPA)** and the **American Psychological Association (APA)** a non-exclusive, royalty-free permission to edit (where necessary for length, formatting, accessibility, or quality), reproduce, distribute, and publish your video, in whole or in part, across their websites, social media platforms, digital channels, educational materials, and other communication platforms for awareness, educational, and promotional purposes.
3. I understand that my video may remain publicly available after publication and may be used in future communications related to this initiative.
4. I confirm that my submission does not infringe on the rights or privacy of any individual and that any identifiable persons appearing in the video have provided appropriate permission to be included.

Check your choice:

- ☐ *"I consent to all mentioned."*
- ☐ *"I consent, but do not wish my video to be used in future promotional or educational materials beyond this campaign."*

Thank you for contributing your voice to this important initiative. Together, we can amplify stories that foster understanding, challenge stigma, and promote a more inclusive world for persons with disabilities.
